

## MIKE SCHAFER

Project Manager

Mike began his career at Cassetty Builders in July 2017 working in the field and is now a Project Manager. He grew up on the south side of Indianapolis. His family later moved to the western suburbs of Chicago, graduating from Batavia High School in 2002. He took building trades classes in high school where he helped build two houses. After high school, he served his Country in the U.S. Navy.

After completing his military service, Mike worked as an Operations Manager for a furniture rental company. Mike's introduction to building, construction, and repairs began as a young boy watching his grandpa and father. His father would always tell him he asked a million questions and would limit him to just three! He learned quite a bit from shadowing his grandpa and father. Mike continues to learn and hone his skills each and every day at Cassetty Builders.

Mike and his wife, Morgan, have three beautiful daughters: Audrey (10), Ava (9), and Allie (3). Mike is the quintessential "girl dad." He is an outdoorsman and enjoys camping, fishing, and golfing.
